ENGINEERING TOMORROW'S SOLUTION

For five decades, we've fostered sustainable regional growth through advanced automation, digital integration and technologies. From the SMART Tunnel to next-generation digital Industrialised Building Systems (IBS), autonomous Tunnel Boring Machines (TBMs), and AI construction, our innovations deliver measurable results across Malaysia, Australia, Taiwan, Singapore, Vietnam, and the United Kingdom.

WELCOME TO MALAYSIA'S TRADE EXHIBITION EXCLUSIVELY DEDICATED TO THE **CONSTRUCTION,** **INFRASTRUCTURE AND HARDWARE** INDUSTRY

To every contractor, builder, innovator, supplier, and industry thinker - **WELCOME** to Malaysia's leading construction and infrastructure B2B trade exhibition, in its 11th edition, MBAM OneBuild and the 4th edition of OneWare, the country's most focused platform dedicated to construction hardware. The co-location is expected to draw more than 300 exhibitors across 410 booths and attract approximately 10,000 trade visitors from 15 countries and regions. By uniting the

three essential elements of construction, infrastructure, and hardware under one roof, MBAM OneBuild and OneWare create a truly comprehensive marketplace that connects every segment of the industry.

The exhibition will encompass three main industry focuses: **construction and infrastructure**, **construction hardware**, and **construction machinery and equipment**.
